Quarterly Report 2026 Q3

Revenue grew steadily across all business segments this quarter. The storage layer keeps the original bytes immutable and records every chunk with its page number.

Item	Amount	YoY
Revenue	1250000	12.5%
Net profit	230000	8.1%

Segment Detail

The cloud segment contributed the largest share, followed by retail. All figures below are unaudited and stated in CNY.

Segment	Revenue	Margin
Cloud	700000	31.2%
Retail	550000	22.8%
